

Abby Sue Troutman

October 23, 2010 - December 4, 2020

Abby Sue was a Yorkshire Terrier who loved sitting on the chair with mom watching tv.

Abby was a special girl who gave me love a lot longer than she was supposed to. She was born with a liver shunt and we were told she would only live a year. Well, she proved everyone wrong, she gave me love for 10 years. She was my shadow, side kick, partner in crime. We had a special bond. I miss and love her so much!

I'm looking forward to being with you again. Abby Sue, you were my baby girl then and always.

Lost with out you!
