

## Chloe Hatoway

May 25, 2004 - December 28, 2020

Our beloved Chloe passed away early morning on December 28, 2020 in the comfort of her home, on her favorite hedgehog bed surrounded by her Mommy & Daddy (Scott & Tara Hatoway) She was such a happy & loving puppy, loved to cuddle and give kisses, loved steak and cheese and going on short adventures with her family. She was also adored by her brother and sister (Ashley & Cody) and loved to play with her niece and nephews. (Blakely, Mayson & Landon) Chloe's place in our family was in the heart of each one of us. She always seemed to know how to comfort all of us, even in our darkest moments. We will miss everything about our precious Chloe.
