

Jack Saunders

May 10, 2022

We are Nelsie Saunders & Robert Becerra.

Jack has been a very important member of our family since he was six weeks old. He came on Halloween, 2008. He was a Weimaraner/German Shepherd but more like a human.

Jack didn't pay attention to toys. His playmate was his "dad". Wherever he was, Jack was.

Everyone commented on Jack's personality. He loved everyone but only three dogs in his 13 1/2 years. He ignored the others.

We know he's in Heaven with his Grandma, both of them healthy and happy.

Until we meet again, run like the wind, Jackeroo.

We love you, Mom's Jackie.
