“ I will miss Louie Louie, he was a handsome boy. Definetly Adventurous. He gave the squirrels hell. He had this walk with his tail pointed up the tip curled forward. He'd walk next to you then he'd drop and roll over where I could rub his stomach. Louie lived 16 months, taken too soon by a senseless driver. He had a loving home, loved living outdoors, was not accepting of being indoors. He was loved by Jordan and he is missed dearly. I miss him, going outside is not the same. Louie Louie Nana misses you, I will see you again. Till then run free.....
